# How Do People Earn Money?

When people work,  
they earn money.  
A baker sells bread.  
A teacher helps students learn.  
A farmer grows food.  
People use their skills  
to help others and earn money!

Look at each worker.  
Count how many items they sell.  
Add the dollars to find how much money they earned.

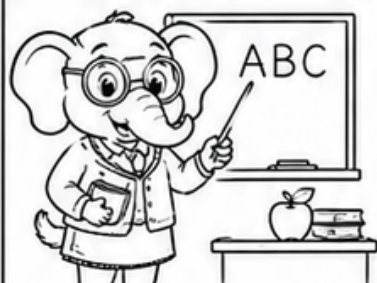

Circle how many loaves of bread.

Each loaf of bread = \$2

How many dollars did  
the baker earn?

$$\boxed{\$2} + \boxed{\$2} + \boxed{\$2} + \boxed{\$2}$$

= \$ \_\_\_\_\_

Circle how many student books.

Each student book = \$1

How many dollars did  
the teacher earn?

$$\boxed{\$1} + \boxed{\$1} + \boxed{\$1} + \boxed{\$1} + \boxed{\$1}$$

= \$ \_\_\_\_\_

Circle how many apples.

Each apple = \$3  
How many dollars did  
the farmer earn?

$$\boxed{\$3} + \boxed{\$3} + \boxed{\$3}$$

= \$ \_\_\_\_\_

# What Should We Do With Our Money?

After people earn money,  
they make choices.

They can:

- ★ Spend money now
- ★ Save money for later
- ★ Give money to help others

Smart choices help us grow!

Look at the pictures.

Draw a line to match each item to the best choice.

## WHAT IS IT?

Pizza

Piggy Bank

Donation Box

New Ball

Saving  
for Bike

Helping  
Others

## BEST CHOICE

### SPEND

Use money  
for things we  
want or need  
now.

### SAVE

Keep money  
for something  
in the future.

### GIVE

Use money to  
help others and  
make a difference.
