How Fundy Earns and Learns About Money

Color the pictures. Then draw your way Fundy can earn money.

Fundy washes cars!

Fundy mows a neighbor's lawn!

Fundy helps carry groceries

Can you think of
another way
Fundy can earn
money?
Draw your idea!

Name: _____

Date: _____

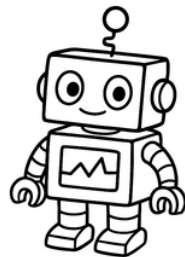

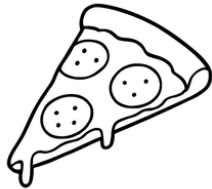

What should Fundy do with his money?

Color Fundy and his jars. Show what he should spend, save, and grow.

Draw a line from picture to the appropriate jar.

SPEND means use money now. **SAVE** means keeping more for later.

GROW means using money to make more money.

Alpha says:

Every coin is a choice.

Some are for now, some are for later, and some help your money grow!

Fundy's \$10 Challenge

Fundy earned \$10 from mowing. How much should he save, spend, and grow?

Your total should add up to \$10!

Alpha says:

Every dollar is
a decision!

What would YOU
do with \$10?

How much
would YOU save,
spend, and grow

SPEND

SAVE

GROW

Fundy's Smart Choices: Needs vs. Wants

Color the things that Fundy wants RED and color the things he needs BLUE.

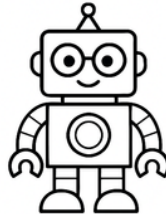

Needs are things we MUST have. Wants are things we WOULD LIKE to have.

apple

water

toy robot

ice cream

soda

book

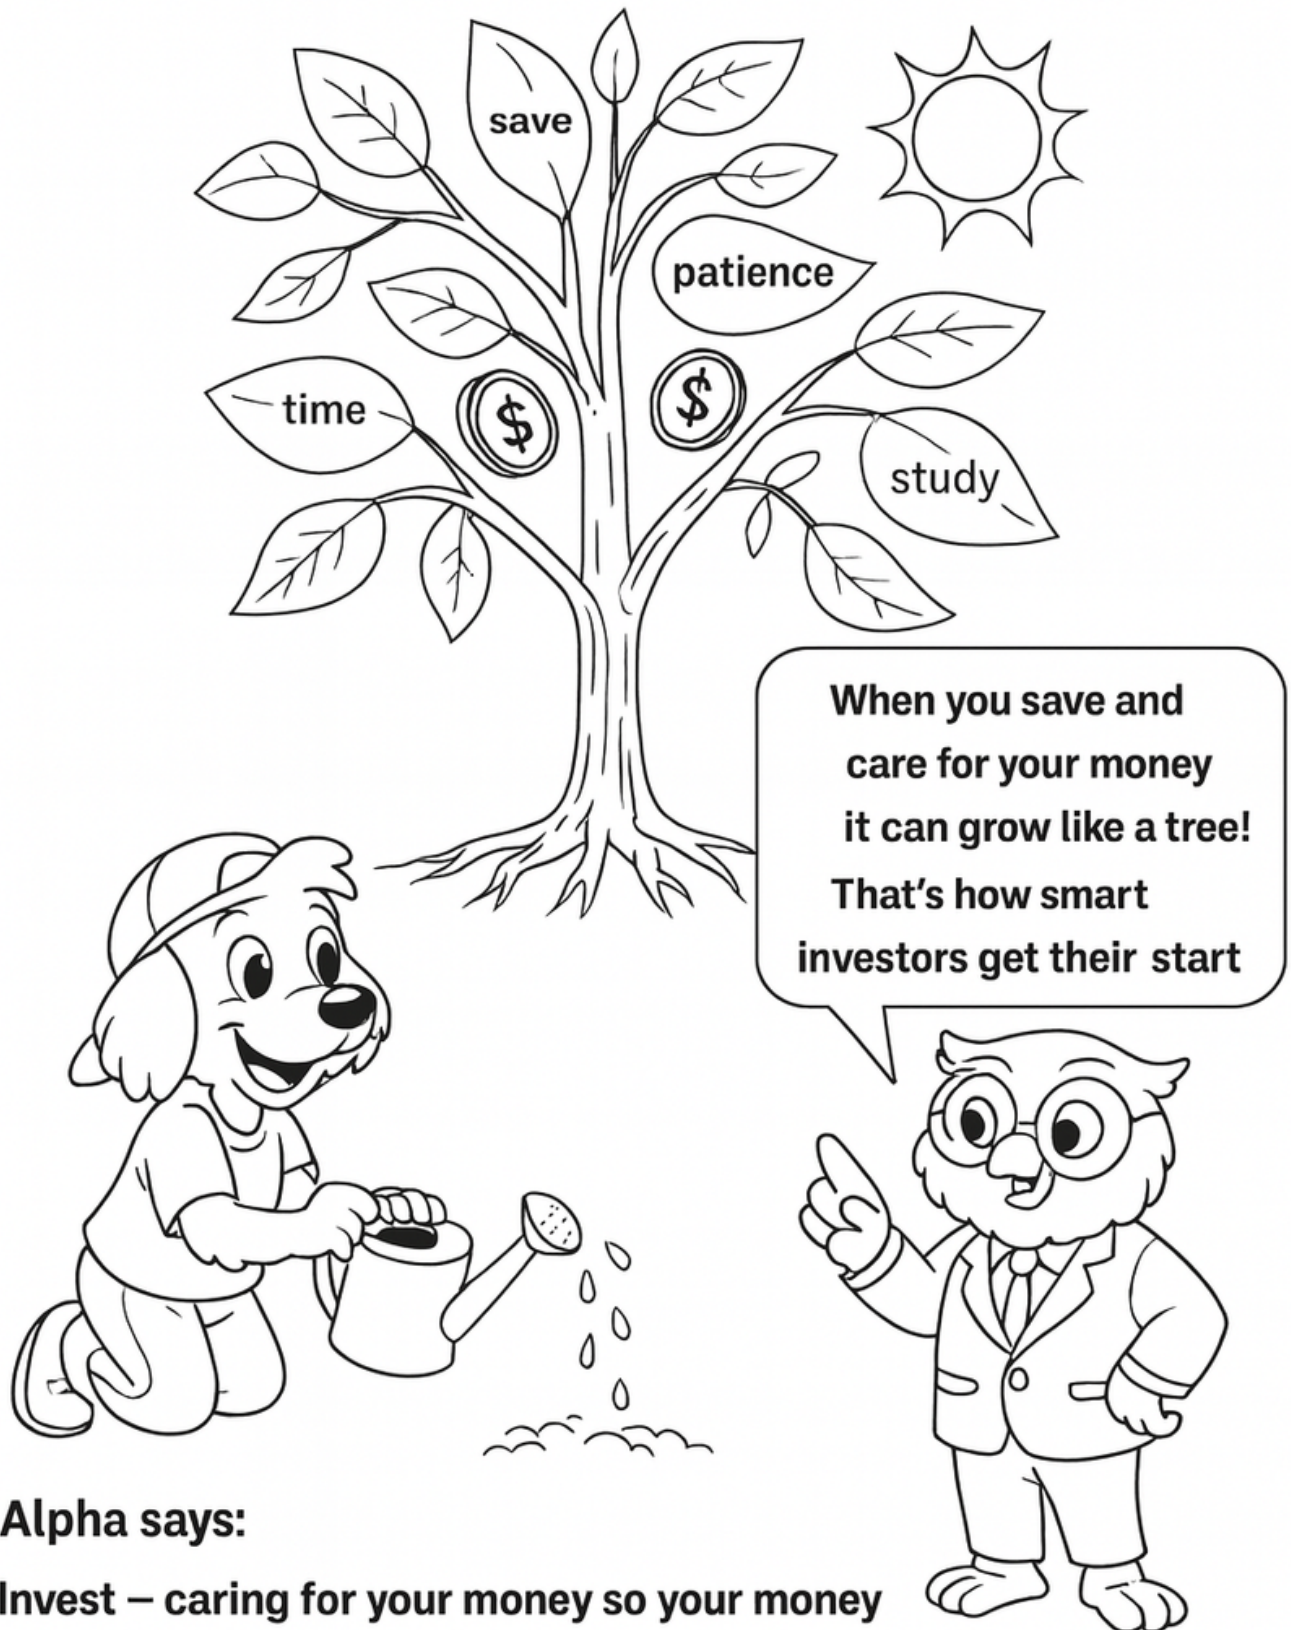

Alpha says:

Knowing the difference between wants and needs helps you make smart choices.

Smart choices are the first step to helping your money grow!

Fundy's Growing Tree

Every choice we make makes our money grow stronger
Invest – caring for your money so it grows like a tree
